## STATEMENT FROM BIRMINGHAM WATER WORKS BOARD CHAIRWOMAN TERESHIA HUFFMAN

As the Chairwoman of the Board, I can confidently say that the current composition of our board represents the diverse service area we serve. We have prioritized ensuring that our board reflects our community and that our decisions are made with their best interests in mind. Additionally, we take great pride in transparency with our customers and stakeholders and are committed to maintaining our sound financial strength.

Through the efforts of our leadership team, we have continued to maintain a sound financial footing. Birmingham Water Works has recently received an Aa2 Rating from Moody's and AA Rating from Standard & Poor's, which designates BWWB with a stable outlook on its operations and finances.

We remain committed to providing safe, reliable, and affordable water services to our customers, and we will continue to work with the Jefferson County delegation, state legislature, and all community stakeholders to ensure that our board structure best serves the needs of our five-county service area.

**ABOUT BIRMINGHAM WATER WORKS BOARD:** Founded in 1951, the Birmingham Water Works Board serves 770,000 people in Jefferson, Shelby, Blount, St. Clair, and Walker counties. The BWWB operates four filtration plants, a certified testing laboratory, and has more than 4,000 miles of pipe in its distribution network.
